22 May 2015

MINISTRY OF DEFENCE
(SECURITY OFFICE)

UPLOADING OF CYBER SECURITY SCREENSAVER

1. As approved by the Defence Secretary, cyber security screensaver is required to be installed in all MoD computers to sensitize the users to scrupulously adhere to the existing cyber security instructions issued by Security Office from time to time and maintain cyber security hygiene in official PCs/laptops.
2. A soft-copy (in CD) of the approved cyber security screensaver consisting of 04 slides is forwarded herewith for uploading on the CAO's website, in such a way that only Ministry of Defence officials can download it from the CAO's website and install it in their official PCs/laptops.
3. A confirmation to this effect may be communicated to this office to enable us to inform offices located in DHQ Security Zone accordingly.
