D.O No. 110011/1/97/TA/Database

Dated: 22 Feb 2019.

Dear Shri. Meena ji,

I am writing in connection with furnishing bank details of officers and staff of your office who prefer TA/DA/LTC/medical/Personal claims/GPF claims etc to this office.

It has been noticed that individuals submitting ibid claims are furnishing multiple bank account details on each occasion along with the claims. This has resulted rejection of CMP payment as well as difficulties in maintaining database in this office.

As such, it has been decided that only one bank account will be maintained in the data base in respect of one person for credit of above types of claim amount in one's account. No request for change of bank account details from the employees will also be entertained.

Therefore, I would like to request your personal intervention in the matter and instruct all employees of your office to maintain/furnish one account preferably the salary account in which the claim amount could be credited without any problem. Any request for change in bank account detail should be forwarded separately along with supporting document and reason for change in bank account number.

Your co-operation in this matter is solicited.

Shri S. K. Meena, Dy. Director
CAO (Mov)
