2. As per the existing DOP&T instructions, the concept of lien is only the right of the government officer to hold a regular post, whether permanent or temporary. In the case of a permanent transfer, from one cadre to another, the lien, if any acquired by the officer in the parent cadre at the time of permanent transfer, gets automatically terminated on joining the new office/cadre. The said instruction, therefore, implies that the individuals already confirmed in particular grade, if considered for appointment on transfer basis will not have to undergo period of probation in the new Government department.

3. In the event of selection for permanent transfer/absorption in any other office, they will have to resign and sever all their connections with the AFHQ Cadre(s) in the first instance and no lien on the post, if any, acquired by them in the AFHQ Cadre, will be retained. They will also not be permitted to withdraw their resignation, as the lien would have been terminated by then.

4. This **NO OBJECTION** is valid upto **15 March 2022** in case of all individuals except for Sl. No. 14. * In case of Sl. No. 14, **Shri Ram Bhavan Patel**, No Objection is being extended till **11 May 2020**.

5. This has the approval of the Cadre Controlling Authority i.e., the **JS & CAO**, Ministry of Defence.

6. The concerned official may be intimated accordingly.
